

## SetaDB™ ACOUSTIC Backing

Our **SetaDB™** Acoustic IXPE Foam backing takes the best features from our SetaGrip™ technology but omits the micro suction adhesion offering a value engineered flooring solution.

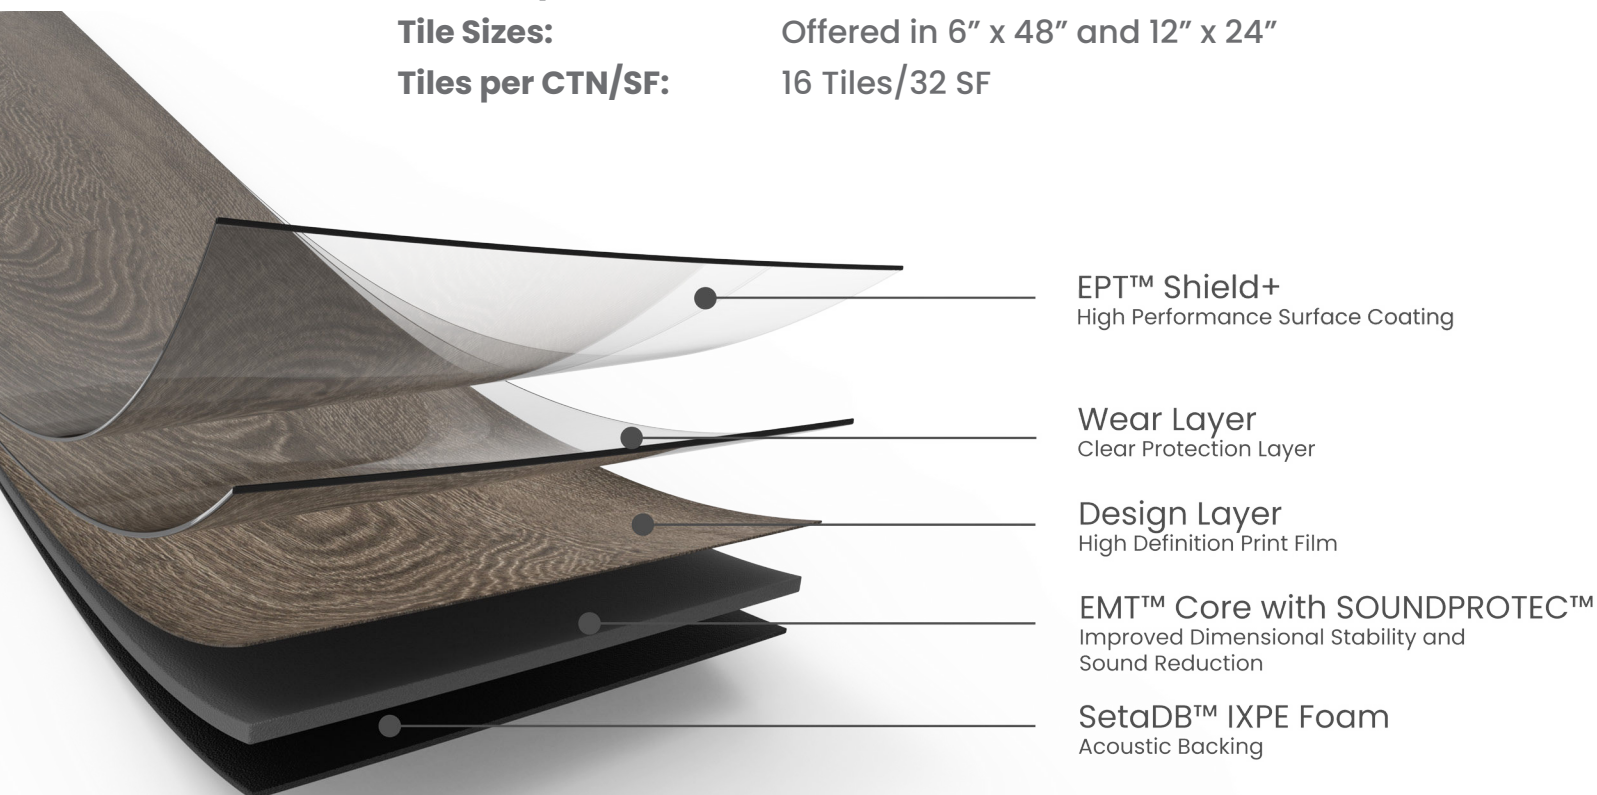

**SetaDB™** includes EPT™ Shield+ coating technology, making the surface extremely durable and highly scratch-resistant.

**SetaDB™** uses an EMT™ Core with SOUNDPROTEC™ that not only improves dimensional stability, but also reduces sound transmission. It offers an IIC rating of 56 without a dropped ceiling and 67 with one.

**SetaDB™** is 100% waterproof ALL-IN-ONE acoustical LVT flooring that simplifies and speeds up traditional acoustic double glue-down installations.

### PRODUCT SPECS

<b>Overall Thickness:</b>	3.5MM Gauge 12 Mil Wear Layer
<b>Warranty:</b>	10 Year
<b>Tile Sizes:</b>	Offered in 6" x 48" and 12" x 24"
<b>Tiles per CTN/SF:</b>	16 Tiles/32 SF

# SetaDB™ ACOUSTIC FEATURES

 NO HEAVY POWERTOOLS	 NO TELEGRAPHING	 100% WATERPROOF
 FAST INSTALLATION	 FLEXIBLE	 EASY INSTALLATION
 EASY MAINTENANCE	 SOFT UNDER FOOT	 SOUND INSULATING

## SOUND INSULATING

Our **SetaGrip™** backing offers the perfect solution for reducing the noise level in high-traffic areas. Our 3.5mm product achieves a **56 IIC** over a 6" slab without a drop ceiling, making it an ideal solution for blocking sound in all commercial applications. This innovative technology will contribute to your sound reduction requirements.
